

Tour the Incredible IBM Watson Innovation Studio in New York City

An inspiring experience -- your party of six will enjoy a riveting behind-the-scenes tour of the IBM Watson Innovation Studio in New York City, followed by lunch with former IBM Chairman, President, and Chief Executive Officer Samuel Palmisano. The IBM Watson Innovation Studio client journey framework accelerates and activates client engagement, breaking the data boundaries and infusing AI with speed. As part of the visit, an IBM Data and AI expert will give you a tour of the Innovation Studio, where you will see first-hand how to fast-track your journey to AI. Wow your colleagues or inspire your children to be the engineers and problem solvers of tomorrow! Participants must be 10 and over.
