The collections of the Fairfield Museum and History Center (FMHC) are the sole and exclusive copyright of the Museum, and may not be duplicated, replicated, copied, scanned, printed, published, or otherwise reproduced without the specific prior written permission of the Museum. For these purposes, please use this document "Application for Permission to Reproduce Images." Permission to reproduce or otherwise use any image from the collection of the FMHC is contingent upon the acceptance of the following conditions and is automatically abrogated if any part is infringed.

1. Reproduction is permitted only from materials originally supplied by the FMHC. Permission to reproduce an image from the collection of the FMHC may not be reused, transferred, assigned, or sold without the permission of the Museum.
2. Permission may be granted only upon receipt in advance of the full particulars concerning their publication, including authorship, ownership of copyright, format, medium, publisher, and anticipated date of publication, broadcast, or transmission.
3. Rights to reproduce FMHC images are non-exclusive and granted for one-time use only. Any further revisions, editions, and reprints require a new application to be submitted.
4. Each image must be reproduced in its entirety and without alteration or cropping unless otherwise approved in writing by FMHC. Any such approved image must be labeled as "detail."
5. One "best version" hard copy of any resulting publication, and two "best version" copies of each resulting promotional publication in which the FMHC images appear, shall be sent to the FMHC, without charge, immediately upon publication.
6. Each individual image from the FMHC shall be duly and properly acknowledged and credited. Failure to comply is a violation of copyright.
7. If requested, proofs must be submitted to the FMHC for approval prior to publication. The Museum reserves the right to deny reproduction if proofs are judged unsatisfactory.
8. The FMHC reserves the right to withhold permission for any use judged to be incompatible with the mission and values of the Museum.
9. Permission is valid only after all fees have been paid.
